Head Teacher **Elizabeth White**

11<sup>th</sup> January 2017

Dear Parent,

We are at the time of year when occasionally we can be caught out with adverse weather conditions. Please take that extra bit of care, and take road conditions into account, when dropping off and collecting pupils in the vicinity of the school.

In order to ensure the safety of our pupils, please make sure that you provide us with up to date contact details which we will use in any situation which may result from extreme weather conditions. Please note that decisions on forthcoming outings will be informed by weather forecasts and updates.

**In the event of extremely severe weather conditions**, if you have any queries as to whether the school is open please consult our school website and twitter accounts. Information will also be provided through the media and on South Lanarkshire Council website. Our school website contains a lot of information and revision resources, as well as useful websites for young people to continue their learning at home, should the need ever arise.

Hopefully we will not need to put these arrangements in place.

Thank you for your support

Yours sincerely

A handwritten signature in black ink that reads 'Elizabeth White'.
