10th September 2026

Dear Parent/Carer,

Good morning,

Following on from the Joint Communication yesterday from SLC Education & Police Scotland, we wish to confirm that the school is open today. We also wish to give you an update as indicated in yesterday's communication.

We are relieved to know that the police investigation has led to an arrest and a charge and are hopeful that this reduces the fear and alarm that has been understandably caused by an individual's actions.

I am sure you will understand the extent of communication we have received between Tuesday night and close of school yesterday. Given the demands placed on us yesterday we have been unable to respond to the emails received as we navigated the day's events. We thank you for communicating these with us. In order to address them, we are currently compiling a list of Frequently Asked Questions to address questions that came through the emails and hope to have this with you by the end of today.

We also held an extraordinary meeting last night of our Parent Council. At this we talked through the sequence of the last few days and explain why we had to communicate as we did, as per protocol and to support an ongoing police investigation, as well as outlining how we had managed this whole situation. They were supportive, understanding and grateful for all that we have done – I'd like to acknowledge and thank them for this support.

Yours Sincerely

A handwritten signature in black ink that reads "Elizabeth White".
