

Calderglen High School

"Working together to inspire learning and shape the future"

As part of our S5 Induction programme, we aim to motivate our young people and raise career aspirations. We know that business partners are highly influential and we would love for you to attend our induction programme and share with groups of young people about your area of work. We would be looking for information such as:

- What do you do on a daily basis? (You can never have too many examples!)
- What are the various different pathways into your career?
- What are the career prospects now and for the future?
- Advice for young people pursuing careers in your area.
- What skills and qualities are essential to do your job?
- What can young people do now to help them pursue a career in your area?

Date: Monday 6th June 2016

Time: 9.30am – 11.40am approximately
(2 x 30 minute sessions)

Hospitality: Cakes and refreshments will be provided.

We hope you can come along and make this event a success.

Please let us know if you are able to attend;

Email: jdodds@calderglen.s-lanark.sch.uk or

Tel: Mrs Jill Dodds 01355 588620

(Please RSVP by Thursday 26th May 2016)
