Dear Parent/Carer

I wish to let you know that a serious assault involving a number of adults occurred on High Common ground near the school at lunchtime.

I would wish to reassure you that no pupils were involved but some will have witnessed what was a very unpleasant incident. An ambulance was called, and an adult taken to hospital. Police Scotland responded quickly and are carrying out enquiries.

As a school we will offer support through our Pupil Support Team to any pupils who may have witnessed the incident. You may also wish to let your child know the school has informed parents/carers about this incident, so that you can also offer support as a family.

I hope this helps to reassure you that all pupils are safe and well and to be aware that this incident was not school related.

Mrs White is not in school today but has been fully briefed of the incident.

Mr Keith Chaplin
