Cost of the School Day

BREAKING DOWN THE FINANCIAL BARRIERS TO EDUCATION

At Calderglen we understand that the rising cost of living is a concern for all of our families and young people. We are committed to doing what we can to understanding the cost of the school day and relieving financial pressure where possible. Please see the list of arrangements we have made for those experiencing the negative effects of poverty. If you need any help, advice or wish to book one of the services below please contact:

Food Bank Referrals

We are able to help you access local food banks/hot meals. We can also help you to make sure you are receiving free school meals if you are entitled to them.

Clothing Hub

We have a well-stocked clothing hub with uniform, clothing, shoes, toiletries etc available. We can also signpost you to the winter clothing grant if you are eligible.

Wifi/Computer Access

We have a limited number of resources to help families without internet/computer access.

Please complete the Google form below to help us to identify further barriers and suggest other ways we can help with the cost of the school day.
